Each month KCFJ will provide a new challenge sheet with questions from the Bible. Search your Bibles to discover the correct answers.

Download and print the contest sheet. Mail us the completed quiz (or email an image). We will check your answers, and if they are all correct, you will be entered in our drawing for prizes.

Your parents, family, or friends can help you find the answers. Please make sure to fill out your sheet completely.

## MAY 2022

### HOW OLD AM I?

Your birthday is special. It's a day full of fun surprises, yummy food, and reminders from family members and friends about how much you are loved. More important than that, your birthday is special because it's the day that God picked out just for you! With each birthday that goes by, your age goes up and up and up! Can you imagine having hundreds and hundreds of birthdays? What about all the birthdays we will celebrate in heaven? We'll have so many that we'll probably lose count! Look up the book and chapters below—locate the correct verse to find the ages of some of the Bible characters. When you are done, for an extra bonus, add them up and see what you come up with.
